This year's class of 1964 completes the first decade of graduating seniors from El Camino High. From the time that the class of 1954 left the portals of this school, the struggle of the Eagle has continued, but now it may well be said that in the past ten years, the student body of El Camino has steadily risen from the obscurity of infancy to one of the most outstanding high schools in Northern California. With the passing of time, El Camino brought forth champions in almost every field of competition, both scholastically and in sports. Tradition has grown with the Eagle Spirit to create an atmosphere of deep rooted enthusiasm.

These past years have been rewarding experiences for all who were a part of the student body. Some may remember only the disappointing or the sad, but most Eagles have left with memories filled with the joy and excitement of high school years; opening day assemblies, football, elections, Homecoming, float decorating, Snowed Inn, Donkey Basketball, twirp, carnival, Freshman Hop, Sophomore Picnic, Junior Prom, Senior Ball, senior sleepout, All Night Grad, and on, and on goes the never-ending list.

The 1964 **Aerie**, as a salute to other classes which have helped to form the great name of El Camino High School, has turned back to the pages of old "Eagles' Nests" and has printed some of the memories which may be found by going Ten Years in Retrospect.

*Jean  
you really are a very, very,  
very nice looking <sup>and</sup> have a great

To the memory of the life of our late President John Fitzgerald Kennedy, who died on November 22, 1963, the 1964 **Aerie** is dedicated. His vigor, his courage in the face of challenge, and his abiding faith in America and her people will always be remembered. It was in the exercising of these qualities that the President's life was tragically taken from the world by the shot of an assassin's gun; the life of President Kennedy lives on in our hearts and compels each of us to work harder for peace, democracy, and the American way.

Jean — You're a good kid and will see  
 some of each other this summer maybe.  
 Meanwhile stay a good little girl and don't  
 get into trouble (you know what  
 I mean).

# Principal

The members of the El Camino High School Senior Class of 1964 and the Eagle student body have enjoyed many rewarding experiences made possible through traditions established by alumni and former students.

El Camino High School opened in September, 1950, with 225 energetic and enthusiastic freshmen. The first class was graduated in June, 1954. Since that time traditions and achievements have resulted in El Camino being considered one of the best high schools in California. Our scholars have competed with and excelled the best. Colleges and universities from coast to coast have sought the athletes from our championship teams. Our drama, vocal, and instrumental music students have received national and international recognitions. Students from the art department and the Cadet Corps have brought many honors to the school. The spirit of the student body of El Camino High School has been recognized annually throughout Northern California.

Congratulations, Class of 1964 and members of the student body, for an outstanding school.

During the past decade El Camino High School has risen from an obscure neophyte high school to its present stature in the curricular and co-curricular leadership of our area. This position has been achieved through the efforts and sacrifices of many, many people including students, teachers and parents.

We must now look to the future and not rest on the past laurels of those who have paved the way. The graduating seniors can be justly proud of their part in this great tradition of El Camino High School. It is now up to the returning students to maintain and build upon the stature of our great institution.

"Greetings" to all Eagles of 1963-64

Freshmen: "He was fresh and full of faith that 'something would turn up'."—Tancred

Sophomores: "Knowledge comes, but wisdom lingers."—Tennyson

Juniors: "The wisdom of mankind creeps slowly on  
Subject to every doubt that can retard."—Horne

Seniors: "Like one that stands upon a promontory  
And spies a far-off shore where he would tread,  
Wishing his foot were equal to his eye."—Tennyson

It's been nice knowing you all

## Dean of Boys

As you turn the pages of this Aerie, the events of the past school year are recalled for you. The significance of these events will vary with each individual reader, depending upon his or her contribution to it. Thus, while appearing outwardly the same, this book becomes a unique part of your year at El Camino.

My sincere wish is that you have profited individually from your contribution to our school, for it is through such contributions that El Camino maintains its position of eminence.

# Block EC

These  
are  
the  
illustrious  
athletes.

Block EC, El Camino's letterman club, was led this year by president Ray Threkeid.

In order to earn a block letter, an athlete must show outstanding ability in an extra-curricular sport, and be recommended by the coaching staff. In football a varsity letterman must play in one half of the quarters, while in varsity wrestling it is necessary to win a third of the matches engaged in.

The club sold popcorn at basketball games to earn money, and promoted school athletics.

Other officers were Steve Schroeter, vice-president, Terry White, secretary, and Jim Parkinson, treasurer.

# Rally Committee

Membership in Rally Committee is open to twenty junior or senior girls who earned the most points in Honor Pep the previous year or whose applications were approved by the presiding officers and advisors of Rally.

The main purpose of Rally is to promote school spirit at games, rallies, and other school activities. To fulfill this purpose, Rally members plan and participate in rallies, which this year have been very original. Rally also served at the sports banquets, helped with the rooting section at games and tournaments, and acted as host for the second annual Pep Conference.

This year, under the leadership of chairman Marren McPeak, an effort was made to place more emphasis on spring sports. Also, El Camino held its first exchange rally with Mira Loma. Other officers of Rally included Christy Brokenshire, vice president, and Judi Beaton, secretary-treasurer. Judy Boyles was card trick chairman, and JoAnn D'Clementine was assistant. Faculty advisor was Mrs. Hendricks.

First Row: Judy Boyles, Ann McKeen, Linda Ashworth, Marren McPeak, Anne MacLean, Lynne McKessel, Paula Hendricks, Virginia Canyza. Second Row: Beth McKenzie, Jess Brokenshire, Carol Farnstrom, Patty Larr, Jeannette Stedman, Bart Smith, Mary McEllen, Shirley Odom, Gwenne Bates, Mary Beth Johnson, Judi Beaton. # Honor Pep Club

Honor Pep Club has had a very successful year. Limited to a membership of fifty girls, this group is well known for its school spirit at games, rallies, and other events. Activities this year included decorating goal posts; selling pom-poms; and making beanies, lollipops, and handbills for the CVC Tournament. The special Honor Pep rally was held on January 31, and Honor Pep also helped with the competition rallies.

Membership in Honor Pep is based on an application which is evaluated by the advisors and presiding officers of Rally. This year's club will long be remembered for their outfits, which might well become traditional.

The Card Trick Committee, consisting of nineteen girls in Honor Pep, assisted card trick chairman Judy Boyles at many of the games and tournaments. Honor Pep was led this year by Annette Georgakakos, president, who was aided by Nancy Trowbridge, vice-president, and Sue Rankin, secretary-treasurer. Faculty advisor was Miss Forley.

# California Scholarship Federation

Membership in California Scholarship Federation is based on a total of ten points on a scale as follows:

A in solids .....	3	points
B in solids .....	1 1/2	points
A in non-solids .....	1	point
B in non-solids .....	1/2	point

This year, new members were inducted and old members were honored at a 'coffee hour' in January and at a spring 'dessert', both held in conjunction with National Honor Society and Gold Torch. Although the primary purpose of C.S.F. is to be an honor society for scholarship, the club also maintains a carnival booth and several game/concession booths to provide the necessary funds for pins, gold seals for seal bearers, and awards banquets.

Requirements for seal bearers or life members of C.S.F. include having been a club member for at least four semesters, one of which must have been in the senior year. This is indeed a great honor.

C.S.F. president this year was Cleve Livingston, who was assisted by Pat Klayer, vice president, Lynne Mecktesel, secretary, and Mary Hickerson, treasurer. Miss Thomas was the faculty advisor.

First Row: Jon K. Hooper, Sue Miller, Lynda House, Bonnie Fuller, Sue Rankin, Mike Livingston. National Honor Society is a nation-wide organization which gives recognition to the honor student. Requirements include a total of 50 points for juniors and 70 points for seniors, based on 4 points for an "A" in a solid and 3 points for a "B" in a solid. Non-solids are not considered. Varying points are given for student body and class offices, athletics, and other extracurricular activities. N.H.S. has life membership.

This year the club participated in the carnival and game concessions to raise money for the annual scholarship and for the support of El Camino's literary magazine. N.H.S. also participated in the January and May awards banquets, held in affiliation with Gold Torch and C.S.F. Induction of new members was held at the February meeting.

N.H.S. was led this year by president Bob Shiurba, assisted by Cheryl True, vice-president; Leah Soltar, secretary; and Kathy Cook, treasurer. Mrs. Harrison was the sponsor, and Mr. Currie was the assistant sponsor.

# Gold Torch

Gold Torch was organized last year (62-63) by Mrs. Nordberg. Established to recognize and honor El Camino's scholars, this club has set a precedent in the San Juan Unified School District. Members are awarded emblems and Roman numeral pins denoting the number of semesters of eligibility.

Eligibility for Gold Torch is based on the ten point system used by C.S.F. One must have been eligible for C.S.F. for two semesters before receiving the Gold Torch Award. When the student has been eligible for three semesters, he is allowed the privilege of purchasing and wearing a blazer. This year, it was decided that the girls were to have a white cardigan blazer, while the boys were to have a green sweater jacket.

In conjunction with C.S.F. and N.H.S., a special evening meeting was held in January, and another was held near the end of the school year for the purpose of distributing Gold Torch and other awards.

First Row: Carol Dimock, Karen Treadwell, Bonnie Buzzoni, Sharon Kendricks, Kathleen Statton, Katherine Lyons, Kathy Doye, Sandy Howard, Leni Birdman, Judy Widmer, Joyce McLaughlin, Judi Beaton, Maryann McKelvey, Barb Range, Ann Gilliam, Linda Padua, Paula Hendricks, Jon Keen, Hooper, Lynn House. Quill and Scroll, national honorary journalism society, is composed of members who are outstanding in the field of journalism and in the top third of their class.

An initiation and dinner was held in January, and the club had several concessions at football games.

President of Quill and Scroll was Jylie Barber, assisted by vice-president Bob Huff and secretary-treasurer Patty Carr.

The Math Club had a very active year. A field trip to the Cal-Western Life Insurance Company started off the activities followed by a speaker from the M.A.A. in December, an M.A.A. Test in March, a field trip to I.B.M. in April, and in May an awards meeting.

President of the club was Steve Gulick; vice-president was Jim Cunningham; Sandy Collman was secretary, and Dennis Gannon was Club treasurer.

What to look at? The camera or I.B.M. no. 402?

# Mu Alpha Theta

Mu Alpha Theta is the honorary mathematics club. To be a member, one must have a "B" average in all subjects, have taken Algebra II, and have been a member of the Math Club for a semester. Since all members belong to the Math Club, all activities are joint efforts between the two clubs.

Mu Alpha Theta did, though, participate in the Sacramento Bee-sponsored local math contest, and had a Carnival booth.

Mike Deranja was the president, and secretary was Pat Sutcliffe.

The club's main activity is raising \$125 per year to support the Foreign Exchange Student Program. In the past this has been accomplished by selling programs at football games. This year the Key Club not only sold football programs but also sold basketball programs as well, donating the extra money made in this way also to the Exchange Student Program. Key Club was also responsible for the student handbooks.

The thinker

And now we come to this point

Sixth period Drama Production Class is open to persons who have had one year of drama and have shown interest and accomplishment. The class as a whole makes decisions on what plays to put on, while most of the actors in plays, heads of backstage crews, student managers, and student directors are chosen from the class. Drama Production Class members put forth marvelous effort in all of the plays this year. They also participated in the Chico Shakespearian Festival on December 7, and the Sacramento State College Lenaea Festival in April

Membership in El Camino's chapter of the National Thespian Society is based on an application which is evaluated by active Thespians and Mr. Teel on the basis of work done in productions and how well the work was accomplished. The applicant must have had one major role or three minor roles, or have done equivalent back-stage work. This year, the club planned several field trips, operated a carnival booth, and had an end-of-the-year party and initiation.

Laurie McCullough was president, assisted by Ross Scott, vice-president, Marty Morgan, secretary, and Mike Hess, treasurer. Mr. Teel was the faculty advisor.

The main purposes of the A.F.S. (American Field Service) Committee are to make the exchange student feel at home and to increase American knowledge of world affairs. These goals were admirably carried out this year by president Carol Finnstrom, who initiated semi-monthly meetings, one a business meeting and the other a special program: such as a speaker, movies, or slides.

Highlighting the activities this year were a Christmas party on December 17, and A.F.S. week and Foreign Exchange Student week, both in February. An assembly and a dance were held during A.F.S. week. During F.E.S. week, Virginia traded places with a foreign exchange student from another school. Also in February, the club sponsored a P.T.A. meeting.

# California Cadet Corps

Colonel Thomas Armstrong

After thirteen years at El Camino, the 16th Battalion continues to work for the development of leadership and self-discipline in the individual person and for the establishment of the ability to work as a team.

These aims are realized in a unique course operated almost entirely by the students. The senior cadets are responsible for planning the yearly training program which best teaches the individual how to follow, gives him the maximum amount of training possible, and develops best the leadership capabilities of each cadet. The program includes physical training, courses in military knowledge such as map reading and first aid, and extensive courses in leadership techniques applicable to nearly all professions. Such a program proves a great aid to a student when he finds himself in military service, as well as when he enters any college in which ROTC is required.

Outside activities are stressed as well, both of the school and of cadets. Cadet activities offered include a summer camp, leadership schools, field trips, and the rifle team.

## Fall

It is with a great deal of pride that the members of your student council and I look upon the honor given us in serving the students of El Camino. If this responsibility of leadership was effective, it was because the students gave their support to their representatives and to the faculty guiding our student government.

I was especially proud of the real effort the students gave to the special programs and events during the first semester. The enthusiasm at our games reached a high point at the C.V.C. tournament and was evident at all other contests. Support for the freshman orientation program, the Homecoming and special events throughout the semester made these programs successful.

We hope we achieved our main goal in serving as your officers, that of meeting the wishes of all the students and of maintaining enthusiasm for El Camino's fine traditions. To my fellow classmen and to those who will lead in the future, I wish the best of success in the years to come

Undoubtedly the most richly rewarding and tremendously broadening experience of my high school career was my opportunity to serve as Student Body President of El Camino High School. As the representative of the student body, I became astutely aware of the high regard which so many people have for El Camino. Not only is our school superior in athletics and other extracurricular endeavors, it is also considered by colleges and businesses to be one of the finest high schools in the area for producing scholarship and outstanding character in its students.

I want to wish the Class of '65 and those classes which follow the best of luck as they take over the leadership of El Camino High School, and again I wish to thank you, the student body, for the experience of serving as your president.

# Fall Executive Board

In order for a school, such as El Camino, to maintain its high standards, its student body must be active in student government. The students at El Camino actively participate in all student governing boards, of which the Executive Board is the principal one. It has the legislative and executive powers of El Camino and is made up of all elected student body officers, the class presidents and all appointed officials.

The Student Council is the direct line from the students to the Executive Board. They present proposals for the consideration of the Executive Board. The representatives to the Student Council are chosen from the different classes.

The Activities Board approves all activities concerning student body funds. The membership of the Activities Board is composed of the President, Boys' Vice President, Girls' Vice-President, and the Treasurer.

# Exchange Students

Spending the summer of 1963 in the Scandinavian country of Sweden was probably one of the biggest events of my life. I traveled by jet to New York, by boat to Sweden, and by a sincere smile into the lives of some very friendly Swedes.

Sweden is well known for many things; its midnight sun, Stockholm, the beautiful blondes, and Lappland. The late Secretary General of the United Nations, Dag Hammarskjold, is a prime example of the industrious, peace-loving Swedes. During my brief stay in Sweden I was fortunate enough to learn a great deal about the Swedish people from the very kind and generous family with whom I lived.

Through my experience abroad, I gained more than just an understanding of other people. As a foreigner in a strange country, you'd be surprised how much you learn about yourself.

The Swedish people have a very simple saying which expresses my own personal feeling—"Tack sa mycket" or "Thank you very much."

JIM RUDIG  
Exchange Student to Sweden

The country I come from is called the "Heart of South America"; Bolivia is its name and La Paz is city in which I had always dreamed of coming to the United States. After I was selected, I had no idea of the sincerity, warmth and friendship that I would find with the people of Sacramento, my family and at El Camino.

I have enjoyed myself very much at the exciting games and activities at El Camino. These things I will remember all my life because they made my dreams come true; I learned that with understanding and friendship people of the world can live together with peace and harmony.

I will always be grateful to the A.F.S. and El Camino for making my stay here possible. I will always be proud of being an El Camino EAGLE.

# EL CAMINO 7 GRANT 6

El Camino's 1963 varsity football team kicked off the season with a stunning defeat over the Grant Union Pacers. The spirit and desire of the varsity players overwhelmed one of the strongest of Grant teams. The Eagle defense contained Grant's strong running attack. In the final seconds, with Grant leading six to nothing, Eric French broke away on a forty yard touchdown run. Harry Mochen, who was injured, limped off the bench to kick the winning extra point. Bob Dollar played an outstanding defensive game. As Coach Athon said, "It was the upset of the year at the beginning of the year."

# EL CAMINO 7 RENO 20

The Eagles bowed to the Huskies for their only non-league loss of the year, in the 100 degree heat of the only afternoon game of the year. The varsity gridgers were undermanned, and had a hard time getting going. By the time their offense and defense clicked, it was too late. The Huskies were very happy over their victory, in that they had tied us in the previous two years.

# EL CAMINO 6 ARMSTRONG 0

The Eagles came up with a great victory over the Falcons. The Falcons had won this rivalry game in the last two years. The varsity gridgers were out to get this one to preserve the honor and glory of El Camino teams. They got it. Eric French scored early in the first quarter for the only touchdown of the game. Dollar and Fischer did a fine job on defense.

## EL CAMINO 33 ORLAND 27

The Orland game marked an exciting first meeting for the two schools. Long ranked a power in Northern California, Orland excels in offense and defensive skills. The Eagles really wanted this one, and through much work and determination they chalked up this important victory. Through four action filled quarters, the scoring changed hands back and forth. Probably the best performance of the year was hindered by key injuries, as again the underdog Eagles rallied to victory.

Harvey literally drags his opponent to submission.

# EL CAMINO 0 MIRA LOMA 21

The first league game found El Camino shorthanded because of injuries. Minus the backs Machen, Sullivan, and French, the Eagles fought to their first Capital Valley Conference defeat in history. Dolve Spitz and two fine junior quarterbacks turned in a fine performance, as the big Green bowed to the champion Matadors.

The Big Eagle defense stops Encina's ground game

Nice look Bob. Let a junior score this touchdown

# EL CAMINO 13 ENCINA 13

The fired up Encina Apaches come to life for the first time this season. El Camino was surprised as Encina fought them all the way. The game was a comedy of errors. In the last quarter the Eagles threatened three times, scoring on only one occasion. The Eagles threatened in the closing seconds, only to be stopped by the clock.

# EL CAMINO 14 BELLA VISTA 7

The Broncos, since they had defeated the varsity players as sophomores, thought they would have an easy victory. However, they had a big surprise. Bella Vista was ranked second defensively, but the Eagle offense could not be stopped. Our backfield was back to its former strength, and could not be stopped. This victory made El Camino's tenth annual homecoming a great success.

# EL CAMINO 20 SAN JUAN 7

El Camino came to play against San Juan, and play they did. The spirit of the Eagles overwhelmed the Spartans. The Green Machine scored three touchdowns early in the game. Mike Bazzaroni, John Crouse and Bob Black in the secondary, showed the way, playing a great game defensively. Many second and third team players effectively demonstrated their talents, holding the Spartans helplessly intact.

## LA SIERRA 14

The La Sierra game ended the 1963 football season with a sad note. Outplaying the Longhorns in the second half, the Eagles could not make up for the La Sierra lead, and pull the game out of the fire. Saddened, but not beaten the gun sounded and season came to an end. The Eagles had a very respectable record and finished the season surprising many people with their great spirit, desire, and will to win

Coach Ernst's sophomore team turned in a spectacular performance, winding up the season as league co-champions. They assured El Camino High of having a championship team in the next two years. Our sophomores play with determination and desire. They don't know the meaning of the word lose. Our only regret is that we have no pictures of this great team in action. They move so fast and hit so hard and quick, no camera has a fast enough shutter to catch their speedy reactions.

## J.V.'s Make Good

This year's junior varsity team had a very successful season, winning 10 and losing only three. They averaged 55 points per game and finished in a tie for second place in the league standings. This team was much smaller than any of the other teams that it faced, however, they more than made up for this in desire and determination.

## EAGLE TRACKSTERS

This year El Camino had one of the best track teams in its history. Their skill and ability combined with their desire and determination made them an unconquerable foe. Every time they walked out on the track, they brought more honor and glory to El Camino and preserved its standing as a great track power.

# ADVERTISEMENTS

# ADVERTISE

The expansion of business in the area surrounding El Camino High School may be paralleled to the growth of our campus and student body — rapid and secure. Just a little over a decade ago, Country Club Center consisted of twelve establishments. Today the center (pictured left) boasts over fifty stores. Similarly, El Camino began with a student body of 225, a faculty of eleven, and classrooms in the 30's wings and the woodshop. 1964 has yielded a student body of almost 2100, a faculty of about ninety-six, wings of classrooms, and several sets of annexes.

HOW MANY "GOOD BYS" WILL

BECOME PART OF YOUR GRADUATION?

## Weinstock-Lubin

DOWNTOWN

COUNTRY CLUB PLAZA

You might say the whole of Life consists of saying "good-by" . . . but never more so than when we actually finish high school! For this is the time we put away "the things of a child" and choose our place in this constantly changing world! May we offer our wishes for success . . . and may we remind you, here is one "good-by" you need never make . . . for both W-L's will continue to serve you, through the years, in the same fine tradition since 1874!

Jean,  
 If you do nothing down here to  
 much fun & money this  
 this year - last  
 year you  
 a shot to me!  
 Don't ever forget this point (P),

The year of 1963 1964 is over. As we have looked back into the **Aeries** of past years, we found memories of a young eagle that quickly learned to fly and soared gloriously upward. This year, now a part of the great history of El Camino High School, may someday serve as a challenge to future classes, but for us the year is recorded to remind us in future times of the memories which will form our lasting impression of high school days.

On behalf of the 1963 1964 **Aerie** staff, I would like to acknowledge and thank those people who gave of their time and various talents to help make this book possible.
